

## 2019 Public and Charter Cruises Aboard 'Kitty'

Are you looking for a novel way to unwind and relax? Then why not join us aboard our recently acquired trip boat 'Kitty' for a cruise in the beautiful surroundings of the Basingstoke Canal in Woking. Enjoy a cruise past Horsell Common, a short distance from the setting for HG Wells' "War of the Worlds", and see the town from a completely different, and peaceful, perspective.

We run public trips at various times throughout the summer, each trip lasting approximately 1¼ hours if no stops are made. For details of the trip schedule and how to book online, please see overleaf. You can book as individuals or family groups on Public Trips, up to a maximum of 12 people, and you will be sharing the boat with others.

Alternatively, for that special occasion, you can book a Charter Cruise for up to 12 guests, when you will have the exclusive use of the boat – and you can choose a morning or afternoon trip to suit your event. To charter Kitty, please call a member of our booking team on 01256-765889 (10am – 8pm).

All trips are crewed by trained volunteer members of The Basingstoke Canal Society, and the helmsmen are appropriately certified for this kind of boat. The proceeds benefit the Society, which works to safeguard the Canal for the future.

Make a day of it!
