Report of the Trustees for the Year Ended 31 December 2020

The directors, as trustees, present their annual report and accounts for the year ended 31 December 2020. They are satisfied with the performance of the charity during the year and consider that the charity is in a strong position to continue and further its activities during the coming year, and that the charity's assets are adequate to enable it to fulfil its obligations.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the charity are as follows:

- 1.To promote and secure the future of the Basingstoke Canal as a navigable waterway and a multi-function amenity for the use and enjoyment of the whole community.
- 2. To campaign for responsible ownership of the navigation encompassing appropriate funding levels, necessary maintenance and adequate water supply at all times.
- 3. To support the Basingstoke Canal managing authority by, for example, monitoring the condition of the canal, raising funds and providing voluntary manpower for improvement projects and specific maintenance tasks.
- 4. To protect, conserve, restore and raise awareness of the natural features and historic structures of the Basingstoke Canal for the benefit of present and future generations.
- 5. To seek opportunities to develop the Basingstoke Canal, such as the creation of moorings, the improvement of navigation and bank-side facilities, and extension of the navigation.

The Basingstoke Canal, and the land adjacent to it, is entirely owned by the councils of the two counties through which it passes, i.e. Surrey County Council and Hampshire County Council, and is freely accessible to the public. In carrying out its objectives, the charity seeks to achieve an improvement in the physical condition and facilities of the canal and appreciation of its merits by all sections of the public.

Report of the Trustees for the Year Ended 31 December 2020

OBJECTIVES AND ACTIVITIES

Significant activities

In pursuance of the objectives set out above, the charity has:

Strengthened the management team of the charity including in particular fundraising, project planning and marketing.

We have created a strong and clear mission statement 'Keeping the Canal Alive' to ensure a navigable and financially viable waterway for both now and the future.

Alongside this the Society has a clear vision of actively involving local communities and councils, ensuring there are economic benefits, and actively supporting the Canal's unique environment.

- 1. We have significantly raised the profile of the canal to engage all users through local press, social media, links with clubs and local talks.
- 2. Our current project to install interpretive signs is in progress, following a successful funding program.
- 3. Future project plans are being developed including potential further moorings, the last '5 mile walk' and an environmental friendly boat at Woking.
- 4. We have fully observed and supported Covid guidelines which have impacted our work parties and boat operations and income.
- 5. We have however been able to operate some Covid compliant working parties for general maintenance work and clearance of encroaching vegetation. We plan to get our boat operations at Odiham and Woking running again as soon as possible, these being an important link with the community and revenue generator for the Society and the canal.
- 6. We are finalising the project at Farnborough Road in Aldershot to create a new set of moorings which should accommodate up to 10 boats and bring extra income into the Canal. This project will now complete in 2021.
- 7. We have put together an experienced team to monitor and ensure that the canal is given adequate consideration in planned changes to its urban setting, involving presentations to and discussions with the planning authorities and prospective developers.
- 8. We have continued to lobby at local government level and with the IWA for the continuation and improvement of funding for the operation and maintenance of the canal.
- 9. We are actively working to improve our links and work with local authorities to help them support and fully realise the economic and social benefit of this wonderful amenity.
- 10. We have continued to participate in discussions with various bodies to try to secure improvements to the water supply to the canal in the longer term.

In carrying out its activities involving physical work on the canal itself and the structures forming part of it, and on the adjacent land, the charity has exclusively enhanced facilities in public ownership. Any lobbying or discussions involving local authorities, whether the county council owners or the riparian district councils through which the canal passes, have been carried out exclusively to further the charity's aims as set out above. There is no restriction of benefit accruing to any one section of the public to the exclusion of any other. The charity does not carry out any activities with the aim of creating private benefit, nor are the Trustees aware of any private benefit accruing therefrom.

FINANCIAL REVIEW

Principal funding sources

The financial statements are set out on pages 5 to 12 and have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006. As stated in the introduction to this report, the trustees consider the financial performance by the charity during the year to have been satisfactory.

The Statement of Financial Activities shows a net surplus for the year of a revenue nature of £1,565 (2019: deficit of £1,819) and net realised incoming resources of a capital nature of £nil (2019: £nil) making an overall realised net surplus for the year of £1,565 (2019: deficit of £1,819).

Total Reserves at the year end stand at £411,633 (2019: £410,068).

Report of the Trustees for the Year Ended 31 December 2020

FINANCIAL REVIEW

Specific changes in fixed assets.

The charity did not purchase any significant items of fixed assets in the period. Minor items of equipment purchased in the year were expensed in the Income and Expenditure account rather than being capitalised.

In addition to the fixed assets shown in the balance sheet, the charity has owned for many years a number of other assets which have been donated or fully expensed in the past. At the end of the year these include the following items:

Two Bantam tugs and four barges (estimated value £27,000)

Two workboats (estimated value £8,000)

Transit van (estimated value £1,000).

The charity also owns beneficial title to a strip of land held to maintain the canal corridor to the west of the Greywell Tunnel, and a strip of land at Sheerwater held for similar reasons. The land has restricted use by way of covenants and the trustees believe the value of these land holdings to be insignificant.

Reserves policy

The policy on reserves is, provided suitable projects can be identified, to expend funds as soon as expedient on the main charitable objectives and not accumulate them, save as is necessary for year to year operation.

Financial performance of the charity's subsidiary undertakings

The trading subsidiary of the charity Surrey and Hampshire Canal Cruises Limited has had a profitable trading year as summarised in Note 7 to the accounts. The trading company achieved profits of £3,570 (2019: £10,385), and has donated the whole of this sum to the charity since the year end.

The trading subsidiary of the charity John Pinkerton Canal Cruises Limited made a loss for the year as summarised in Note 7 to the accounts. The trading company made a loss of £17,233 and has not donated any funds in 2020. In 2019 it donated £29,510 to the charity.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is incorporated as a limited company, limited by guarantee, as defined by the Companies Act 2006.

It is controlled by its governing document, its memorandum and articles of association established under the Companies Acts.

The charity is constituted as a company with a board of directors who are also trustees of the charity. The directors, acting as a body, are responsible for all policy and strategic decisions.

Recruitment and appointment of new trustees

The trustees are all volunteers and have not been specifically recruited.

Induction and training of new trustees

New trustees, on induction, are offered appropriate Charity Commission material.

Relationship between the charity and its subsidiaries.

The charity owns the beneficial interest in the whole of the share capital of two subsidiaries, Surrey & Hampshire Canal Cruises Limited and John Pinkerton Canal Cruises Limited and receives 100% of their annual profits by way of donation.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
