Report of the Trustees for the Year Ended 31 December 2023

The directors, as trustees, present their annual report and accounts for the year ended 31 December 2023. They are satisfied with the performance of the charity during the year and consider that the charity is in a strong position to continue and further its activities during the coming year, and that the charity's assets are adequate to enable it to fulfil its obligations.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the charity are as follows;

In each case only for the public benefit to:

(a) advance the heritage of the counties of Surrey and Hampshire by the protection, maintenance, restoration and improvement of the Basingstoke Canal as a navigable waterway to enable it to contribute to the industrial heritage of those counties and the wider region;

(b) advance the education of the public on the role of the canal system in general and of the Basingstoke Canal in particular on the promotion of social and economic development and as a historically important heritage and environmentally diverse asset;

(c) promote for the benefit of the inhabitants of communities in the area surrounding the Basingstoke Canal and of the public at large recreation or other leisure time occupations through the provision of access to the Basingstoke Canal and its environs to improve the condition of life of those inhabitants and;

(d) promote for the benefit of the inhabitants of communities in the area surrounding the Basingstoke Canal social inclusion by providing opportunities for volunteering and community engagement in activities that further the above objects.

Our mission statement "Keeping the Canal Alive and Active" to ensure a navigable and financially viable waterway for both now and the future, remains our core focus.

Report of the Trustees for the Year Ended 31 December 2023

OBJECTIVES AND ACTIVITIES

Significant activities

In pursuance of the objectives set out above, the charity has:

1. Continued to consider and implement ways of strengthening its team of volunteers, with particular emphasis on addressing the funding issues arising from increased pressure on the councils that share the running costs of the canal.

2. Continued to raise the profile of the canal by engaging users through radio and press, social media, links with clubs and local talks.

3. Continued to work towards replacing the Woking based trip boat - Kitty - with a new electric powered boat. Work on installing the electric charging services and systems continues. Building of Kitty II started in November 2023 and it is hoped that the new boat will be completed and operational before the end of the 2024 season.

4. Hosted a work party from The Inland Waterways Association's Waterways Recovery Group who held a weekend camp on the canal, supported by Society volunteers, to clear overgrown off-side vegetation in Winchfield.

5. Enjoyed great success in engaging with the business community, hosting groups of volunteers from local companies (including Suez, TVision, TP Legal, VirginMedia, NeosNetworks, Ringway, BOC, SC Johnson, AECOM, etc.) on Corporate Volunteer Days, resulting in donations of cash, effort (in excess of 1,400 work-hours) and equipment, for the benefit of the canal.

6. Continued to work with and provide support to the canal owners regarding risks to navigation along the length of the canal.

7. Continued to support and assist the Canal Authority, providing regular work parties and undertaking work to the canal environment.

8. Continued, through our campaign team, to lobby at local government level and with the IWA for the continuation and improvement of funding for the operation and maintenance of the canal.

9. Continued to work to improve our links and work with local authorities to help them support and fully realise the economic and social benefits of this wonderful amenity.

10. Supported Surrey Police in Woking, with their 'Canal Watch ' programme.

11. Continued to participate in discussions with various bodies and undertake research of new ways to try to secure improvements to the water supply to the canal in the longer term.

12. Provided £20,000 of funding to support the Canal Authority's spot dredging program which is being undertaken along the route of John Pinkerton II

13. Provided over £50,000 to the Canal Authority to purchase a new Conver weedcutter machine, to combat the growth of the invasive weed Floating Pennywort that chokes the canal downstream of lock 7.

14. Through the Society's trading subsidiary companies, carried increased numbers of passengers on their revenue earning trip boats.

15. Lastly, we continue to enhance our web presence and social media platforms.

In carrying out its activities involving physical work on the canal itself and the structures forming part of it, and on the adjacent land, the charity has exclusively enhanced facilities in public ownership. Any lobbying or discussions involving local authorities, whether the county council owners or the riparian district councils through which the canal passes, have been carried out exclusively to further the charity's aims as set out above. There is no restriction of benefit accruing to any one section of the public to the exclusion of any other. The charity does not carry out any activities with the aim of creating private benefit, nor are the Trustees aware of any private benefit accruing therefrom.

FINANCIAL REVIEW

Principal funding sources

The financial statements are set out on pages 6 to 14 and have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006. As stated in the introduction to this report, the trustees consider the financial performance by the charity during the year to have been satisfactory.

The Statement of Financial Activities shows a net surplus for the year of a revenue nature of £25,744 (2022: £30,912) and net realised incoming resources of a capital nature of £nil (2022: £nil) making an overall realised net surplus for the year of £25,744 (2022: £30,912).

Total Reserves at the year end stand at £487,382 (2022: £461,638).

Report of the Trustees for the Year Ended 31 December 2023

FINANCIAL REVIEW

Specific changes in fixed assets.

The charity did not purchase any significant items of fixed assets in the period. Minor items of equipment purchased in the year were expensed in the Income and Expenditure account rather than being capitalised.

In addition to the fixed assets shown in the balance sheet, the charity has owned for many years a number of other assets which have been donated or fully expensed in the past. At the end of the year these include the following items:

One Bantam tug and four barges (estimated value £25,000) Two workboats (estimated value £8,000) Transit van (estimated value £1,000).

The charity also owns beneficial title to a strip of land held to maintain the canal corridor to the west of the Greywell Tunnel, and a strip of land at Sheerwater held for similar reasons. The land has restricted use by way of covenants and the trustees believe the value of these land holdings to be insignificant.

Reserves policy

The policy on reserves is, provided suitable projects can be identified, to expend funds as soon as expedient on the main charitable objectives and not accumulate them, save as is necessary for year to year operation.

Financial performance of the charity's subsidiary undertakings

The trading subsidiary of the charity Surrey and Hampshire Canal Cruises Limited has had a profitable trading year as summarised in Note 7 to the accounts. The trading company achieved profits of £15,245 (2022: £13,554), and has donated the whole of this sum to the charity since the year end.

The trading subsidiary of the charity John Pinkerton Canal Cruises Limited made a profit for the year as summarised in Note 7 to the accounts. The trading company made a profit of $\pm 37,305$ (2022: $\pm 26,034$) and has donated the whole of this sum (2022: $\pm 25,622$) to the charity since the year end.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

It is controlled by its governing document, its memorandum and articles of association established under the Companies Acts.
